

## Harmonization of NIK - NPWP

*Assalamu'alaikum Warahmatullahi Wabarakatuh*

Dear respected customers,

Thank you for your trust and support to Bank BTPN Syariah in opening up access to inclusive financial services in Indonesia. The fund we collected from you has been completely distributed to millions of women and other inclusive communities in the form of financing for productive ultra-micro businesses based on sharia principles.

In accordance with the Regulation of the Minister of Finance of the Republic of Indonesia Number 112/PMK.03/2022 as has been amended with the Regulation of the Minister of Finance No. 136 of 2023, the Resident Identification Number (*Nomor Induk Kependudukan/NIK*) shall be used as Tax ID Number (NPWP) for Individual Taxpayer and these changes shall be the responsibility of the taxpayer. Each taxpayer shall ensure that their NIK has been harmonized and can be used as NPWP.

Based on the above, we encourage you to immediately validate your NIK as NPWP using the following steps:

1. Harmonize NIK-NPWP at [djponline.pajak.go.id](https://djponline.pajak.go.id).
2. Update your NPWP information at the nearest BTPN Syariah branch office, no later than 30 June 2024

Several things to note in updating your NPWP:

1. The updating of NPWP uses the NIK stored in the Directorate General of Taxes.
2. Ensure that your registered NIK has been validated as NPWP according to the original documents.
3. User shall be fully responsible for the accuracy and validity of the new NPWP data.
4. If you fail to carry out the harmonization by 30 June 2024, the current NPWP data shall be invalid and cannot be used to perform taxation rights and obligations, and BTPN Syariah may apply tax rates in accordance with applicable taxation regulations.
5. The Bank is not responsible to validate the accuracy of data or information submitted by the customers to BTPN Syariah. Nevertheless, BTPN Syariah shall try to review the validation of NIK-NPWP harmonization through the portal of Directorate General of Taxes. If the NIK has been validated as NPWP, BTPN Syariah shall update the 16-digit NPWP data based on the information.

For more information, you can contact the nearest BTPN Syariah branch office.

Thank you for your attention and cooperation.
